*"Therefore confess your sins to one another, and pray for one another, so that you may be healed."*  
James 5:16a NRSV

*"Ask and it will be given to you; seek and you will find; knock and the door will be opened to you."*  
Matthew 7:7 NIV

In order to see, there needs to be light. God made our beautiful world and we get to enjoy seeing all of the colors and textures that surround us. He made the light, and separated it from the darkness. Without light, we can not see.

In our story today, Jesus heals a man who was blind from birth. Once healed, the man could see God's beautiful world and his family and friends. What do you think the disciples saw and what they learned about Jesus as they watched him heal the blind man?

What do you think God wants you to learn from this story?

On the back of this paper, draw a picture of God's beautiful world! Thank you, God, for our eyes to see!!
