Matthew 7:7 NIV

How would you feel if your best friend needed help, but there were lots of people in the way? Have you ever wanted to help someone but have been frustrated by obstacles of some sort? What happened? What did you do?

The four friends didn't let obstacles get in their way! In this story it's a miracle that the man was healed, but it's also a miracle that the man had such good friends who worked so hard!

Sometimes a friend or someone you care about doesn't need healing - they aren't paralyzed like the man in the story - but maybe the healing they need is for they way they feel. Maybe they are worried or afraid.

What are some ways your friendship and faith in God can "bring others to Jesus"?

What about our own needs? How can we get closer to Jesus?
