Moses Leads the Israelites out of Egypt

Games Workshop: Faith Journal

Exodus 6:5 -- "Now I have seen how the people of Israel are suffering because of the Egyptians, and I will keep my promise."

Even when it looked as if things were getting worse and worse for the Israelites, God knew they were suffering and promised to help them. And today, God still helps people who are suffering, even when it doesn't look that way.

God chose Moses to help him in this story. God chooses us to help him today. Draw or write about some ways in which you help God?

Exodus 12:14 – “Remember this day and celebrate it each year as a festival in my honor.”

God commanded the Israelites to remember their rescue and celebrate it every year. We also remember great things God has done and celebrate them in our worship.

Celebration!

Write or draw a picture of something that God has done in the past that you remember and celebrate today. It might be something we all do in our church - such as remembering and celebrating Jesus' resurrection at Easter. Or it might be something that God has done for you or your family or someone you know.
