

The Great Escape!

Moses Leads the Israelites out of Egypt

Plague Station Workshop: Faith Journal

Exodus 10: 2 -- "I did this because I want you to tell your children and your grandchildren about my miracles and about my harsh treatment of the Egyptians. Then all of you will know that I am the Lord."

Some terrible things happen to people in this story, but here God explains that there is a purpose behind it – so the Israelites will know God’s power and teach their children about God.

Sometimes today terrible things happen that we might not understand, but we can trust that God cares about people who suffer and that we can care for people who suffer also.

How does God help us when we suffer?

How can we help others who are suffering?
