**Draw or write about a time you heard something great, or something surprising!  
Were you excited to tell the news to friends? Whom did you tell?**

**In today’s movie, “The Woman at the Well,” there are a lot of images of water.  
After Jesus talked about “Living Water” the woman was so excited she ran and  
told her friends about Jesus. What do you think the term “Living Water” means?  
Who can you tell about Jesus?**
